

UNITED STATES CONGRESSWOMAN
MARIA E. SALAZAR
SERVING *FLORIDA'S* 27TH DISTRICT

Each Spring, the United States House of Representatives sponsors an art competition for high school students. The Congressional Art Competition (CAC) began in 1982 and is a great opportunity to recognize and encourage the younger artistic talent in the nation, as well as in our congressional district. The process involves students submitting their artwork to their representative's office, and the board of local leaders in each district selects the winning pieces. The winning entries are later exhibited at the United States Capitol for a year. Congresswoman Maria Elvira Salazar is now accepting submissions for the 2021 Congressional Art Competition for high school students who attend a school or are residents of the 27th Congressional District of Florida.
